

"Tax Portal" The New Electronic Service of the Tax Department is now available to the public.

The launching of the tax portal, which was announced by the Tax Department, is now fully functional.

As per the Tax Department's announcement, the Portal will be the new digital point of contact between taxpayers and the Tax Department. It will consolidate all the tax information from the various current infrastructures of the Tax Department so as to gather all information in a single portal.

The citizens and businesses will be able to be informed directly or through their representatives about their due taxes and tax payments to the Tax Department, upload self-assessments, temporary tax assessments, withholding taxes and make payments through internet banking.

To access the "Tax Portal", visit the <https://taxportal.mof.gov.cy> and enter the codes you use to access the TAXISnet system.

As per the Tax Department, the tax payments from **1/9/2020** will be made **ONLY ELECTRONICALLY**.
